

COMPOSING THE PERFECT SANDWICH

KEBA (pronounced KAY • BAH)

A native of Germany, I was principal French horn player for 20 years with one of Europe's most prestigious orchestras, the Radio Symphony Orchestra Stuttgart. After many years of playing music and frequent worldwide traveling, my wife and I decided to make the United States our home. During the move, I made the decision to bring my favorite sandwich, the KEBAP, with me!

The result is KEBA Spitfire Grill, which proudly serves the KEBAP sandwich, wraps, salads, and delicious Belgian fries. I hope that you will enjoy our food as much as I enjoy making it for you.

Happy Eating!
